

## Rapid Response Home Visiting

# Enrolling Families Learning Path

Throughout the Enrolling Families Learning Path, family service professionals will learn information and strategies, and hear about other's professional experiences in recruiting and preparing families for virtual services. This set of webinars and modules explores how to discern whether virtual services are a good fit for a family and provides information on effective outreach strategies.

The following graphic depicts the self-directed Enrolling Families Learning Path. The path **takes 4 to 7 hours to complete** and learners self-select one module/webinar at each level. When selecting modules, please refer to the inventory of the module/webinar learning descriptions on the back of this sheet.

To further your learning:

## Rapid Response Resources

**IAFSP Virtual Home Visiting: Supervisor's Toolkit:** This resource provides information for supervisors about providing home visiting services virtually. Learners will find reflections, tips, guidance, and inspiration alongside tools such as decision trees, templates, and questionnaires to support learners in exploring and strengthening the use of virtual home visiting services.

# Module & Webinar Descriptions

## **1a. Module: Virtual Home Visiting I02: Preparing Yourself and Families**

This module instructs Family Service Professionals to prepare their technology and environment and enroll families for virtual services, whether delivered by phone, interactive video software or both. The module includes information about making the initial contact virtually, establishing relationships with families, and virtually enrolling families.

## **1b. Webinar: Enrollment and Consent**

This webinar explores the considerations and strategies for managing the core elements of enrollment through interactive video conferencing (IVC) or phone calls. Presenters describe the process of readying new families for virtual service delivery as a part of the enrollment process.

## **2a. Webinar: Program Recruitment and Enrollment Virtually**

This webinar discusses strategies to support program recruitment and enrollment virtually. Program recruitment and enrollment look and are different in virtual and in-person environments.

## **2b. Webinar: Hybrid Home Visitation: What to Let Go and What to Keep**

This webinar discusses learnings utilizing new and different virtual formats to provide services to families. Learners will gather strategies for successful hybrid home visitation through in-person and hybrid home visits.

## **3a. Webinar: Building the Virtual Home Visiting Knowledge Base: Lend Your Voice to the Conversation**

This webinar discusses preventative healthcare and family wellness, professional support, stressors on home visitors (particularly family violence), and enrollment and engagement.

## **3b. Module: Virtual Home Visiting I03: Engaging Families**

This module provides information about engaging families in virtual services. The learner will explore the importance of reflecting on personal attitudes, building relationships, managing technology, checking in with parents, monitoring emotional energy, and adjusting plans as needed.

## **4. Webinar: Taking Care: Strategies to Make it a Reality**

This webinar describes self-care and mindfulness activities, which can be used individually or applied to family engagement practices. Learners will gather strategies for professional group support that have successfully met home visiting staff needs.
